Land Plan-d'Aups-Sainte-Baume

We offer you, in the commune of PLAN D'AUPS, a building plot of 971 m² entirely flat, named section A n° 2397. Located at the entrance to the village with a clear view on each side of the Ste Baume and Ste Victoire massifs without vis-à-vis. The floor space coefficient is 20%, or approximately 194 m² including annexes. However, the triangular configuration of this plot as well as the PLU constraints limit the possibilities of fully exploiting the area. Ref. : 858V32T - Mandat n°2234
